To Whom It May Concern:

This letter is to inform the reader of Monte Rio Union School District's experiences in working with Chris Meghtaderi and Ally Technology Consulting. Chris and his employees have always been professional, accommodating and reliable. They have worked with our district for several years now and we are very happy with their services. The Network they have helped us to create accomplishes all of our needs and Chris is quick to help us with any network issues that may arise.

I hope this letter helps in your decision-making process. Please feel free to call with any other questions you may have.
