To Whom It May Concern:

This is a letter of reference for Chris Moghtaderi and Ally Technology in regards to their great work with school districts. I have worked with Chris and Ally Tech for the past six years in my position as Superintendent of the Sebastopol Union School District.

Chris' team works on the entire technology program from installation to support and network performance. He is also our 'go to' on other systems such as security and VOIP phones. His team is responsive to our tech ticket system, supporting teachers in the classroom and district office staff as well.

In this time of high dependence on operational technology, working with a dependable company like Ally is essential. We couldn't do the great work we do without Chris' support. I highly recommend Ally Technology as a partner with your organization.

Sincerely,
